

# National Seminar on Breaking Boundaries of Research in Higher Education

**14 - 15 October, 2017**

**Organiser : Faculty of Performing and Visual Arts,  
Himachal Pradesh University, Summer Hill, Shimla**

**Venue : Himachal Pradesh University, Shimla**

## About Conference

You will be glad to know that Faculty of Performing and Visual Arts, Himachal Pradesh University, Shimla is organising a National Seminar on **Breaking Boundaries of Research in Higher Education** on 14 and 15 October 2017 in H.P. University, Shimla.

Higher education is extremely diverse and the challenges and issues faced by higher education institutions are found to be very crucial and multifaceted in the present scenario. Interdisciplinary research is a mode of research by teams or individuals that integrates information, data, techniques, tools, perspectives, concepts, and/or theories from two or more disciplines or bodies of specialized knowledge to advance fundamental understanding or to solve problems whose solutions are beyond the scope of a single discipline or area of research practice. Therefore, an attempt will be made in this Seminar to arrive at a reasonable solution of the issues and challenges of research in higher education. Further, it is desired that the academic discourse in the seminar will bring certain results.

Though the time is short, still we will be very happy if you can come and present your paper from any area of your choice on any topic.

We await your arrival.
